Dear Dan:

I would like to request a City Council Resolution in order to effectuate no parking Over Height Vehicles on the following proposed segments:

Waring (Between Vine and Lillian) Both Sides of Street This area has been a magnet for RV's and debris. There is a new signal being wired and it will be difficult to see and safely pass without a restriction.

Lillian Way (Between Waring and Willoughby) East Side only - I will need to confer with Red Studios prior to this restriction. However the Musician's Union and CVS is on board

Waring (Seward and Hudson)

Just to let you know I have a copy of a letter from Chief Charlie Beck for some of the areas mentioned above - supporting the imposed parking restrictions as well as to prevent illegal dumping of hazardous waste.

Let me know your thought on this matter. Thank you for your time and assistance.

Sincerely,

Lisa Schechter

Thanks, Lisa. Let's talk more on Thursday. Which area(s) has Chief Beck written in support of?
